***In the Valley...***

Adversity is an inevitable part of life. When difficulties come, we tend to wonder why God has allowed us to suffer. We may even feel abandoned by Him. But Scripture tells us otherwise.

Psalm 23 describes the Lord caring for us tenderly & faithfully as a shepherd cares for his flock. It is a reminder that He is always present—loving, protecting, & guiding us. He has a purpose for every adversity He allows.

**Every valley is a passageway rather than a destination.** Eventually, the difficulty will pass. David wrote, "I walk *through* the valley." (Psalm 23:4 NIV).

No one can completely escape all suffering in life. But as believers, we can face difficulties with confidence. If you are in a valley right now, I pray that you remember God as your faithful Shepherd & let Him show you how to overcome in His strength by walking with Him through the valley.
